Participants' attention is drawn to two matters in particular:

1. Representatives of market participants who provide advice to retail clients in respect of TORESS LEPOs must be accredited as Level Two Accredited Derivatives Advisers; and
2. Before accepting an order to enter into a TORESS LEPO for the first time for a person, market participants must give the person a copy of any current explanatory booklet in respect of [TORESS LEPOs](#) published by ASX, together with any updates published by ASX. This obligation doesn't apply for wholesale clients unless the client expressly requests it.

These obligations reflect existing obligations under the ASIC Market Integrity Rules (ASX Market) 2010 for standard LEPOs.
